[Translation]**Crisis of Power in Hilly Districts of U.P.**

1770. SHRI BACHI SINGH RAWAT 'BACHDA' : Will the PRIME MINISTER be pleased to state :

(a) whether regular cut is being exercised in power supply in the hilly region of U.P.;

(b) if so, the reasons therefor;

(c) whether the Government are aware of the crisis of drinking water in the region due to closure of Lift Pumping stations; and

(d) the remedial measures taken for smooth supply of power in the region ?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (DR. S. VENUGOPALACHARI) : (a) to (d) Power supply to the hilly region is the responsibility of the Government of U.P. and Uttar Pradesh State Electricity Board. To improve the availability of power in the State various measures are being taken which include maximising the generation from existing capacity, implementation of Renovation & Modernisation programme, reduction in T&D losses and effective load management.

[English]**Atomic Energy Act**

1771. SHRI MUKHTAR ANIS : Will the PRIME MINISTER be pleased to state :

(a) whether the Government propose to amend the Atomic Energy Act to permit installation of nuclear power reactors by private firms as well as foreign firms;

(b) whether the Government are aware that the rate of installation of nuclear power reactors has gone down in the development world;

(c) whether the production cost of nuclear power is likely to be comparable to thermal or hydroelectric power; and

(d) if not, the reasons for facilitating foreign investment in this field ?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECHNOLOGY (SHRI YOGINDER K. ALAGH) : (a) Government of India are open to specific offers for participation by private firms, Indian or foreign, in the nuclear power sector. Such offers, when received, have to be considered on the basis of technical suitability, economic attractiveness and conditions attached thereto.
